

Built from inside the problem.

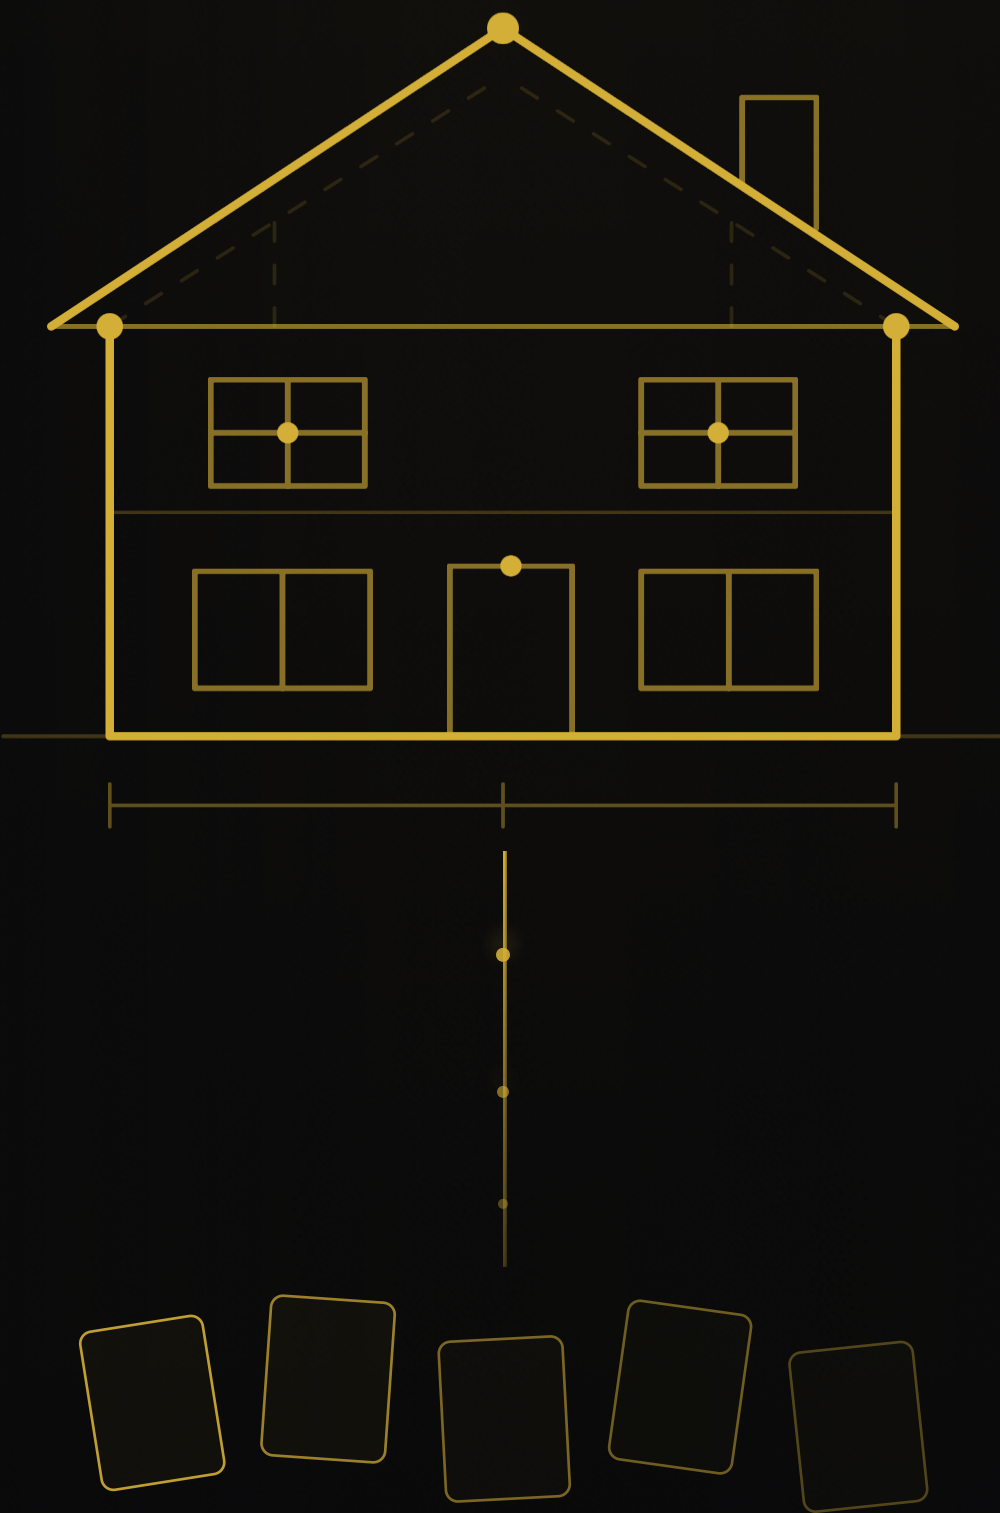

Sam Donworth
FOUNDER, OPENHOUSE
Residential development, sales and operations

200+
homes completed
across Longview

750+
homes planned
across the
development

The people building a home know everything about it. The homeowner inherits fragments.

AS BUILT

WHAT THE HOMEOWNER RECEIVES

A home that can explain itself.

○ STARTED

Digital handover and homeowner support

● BUILT

A live product with real scheme data

○ BECOMING

A living Home Record and operating assistant

The home model is the asset. The assistant is the interface.

SAME HOME CONTEXT.
MORE ANSWERS.

HOME KNOWLEDGE

“What size is my living room?”

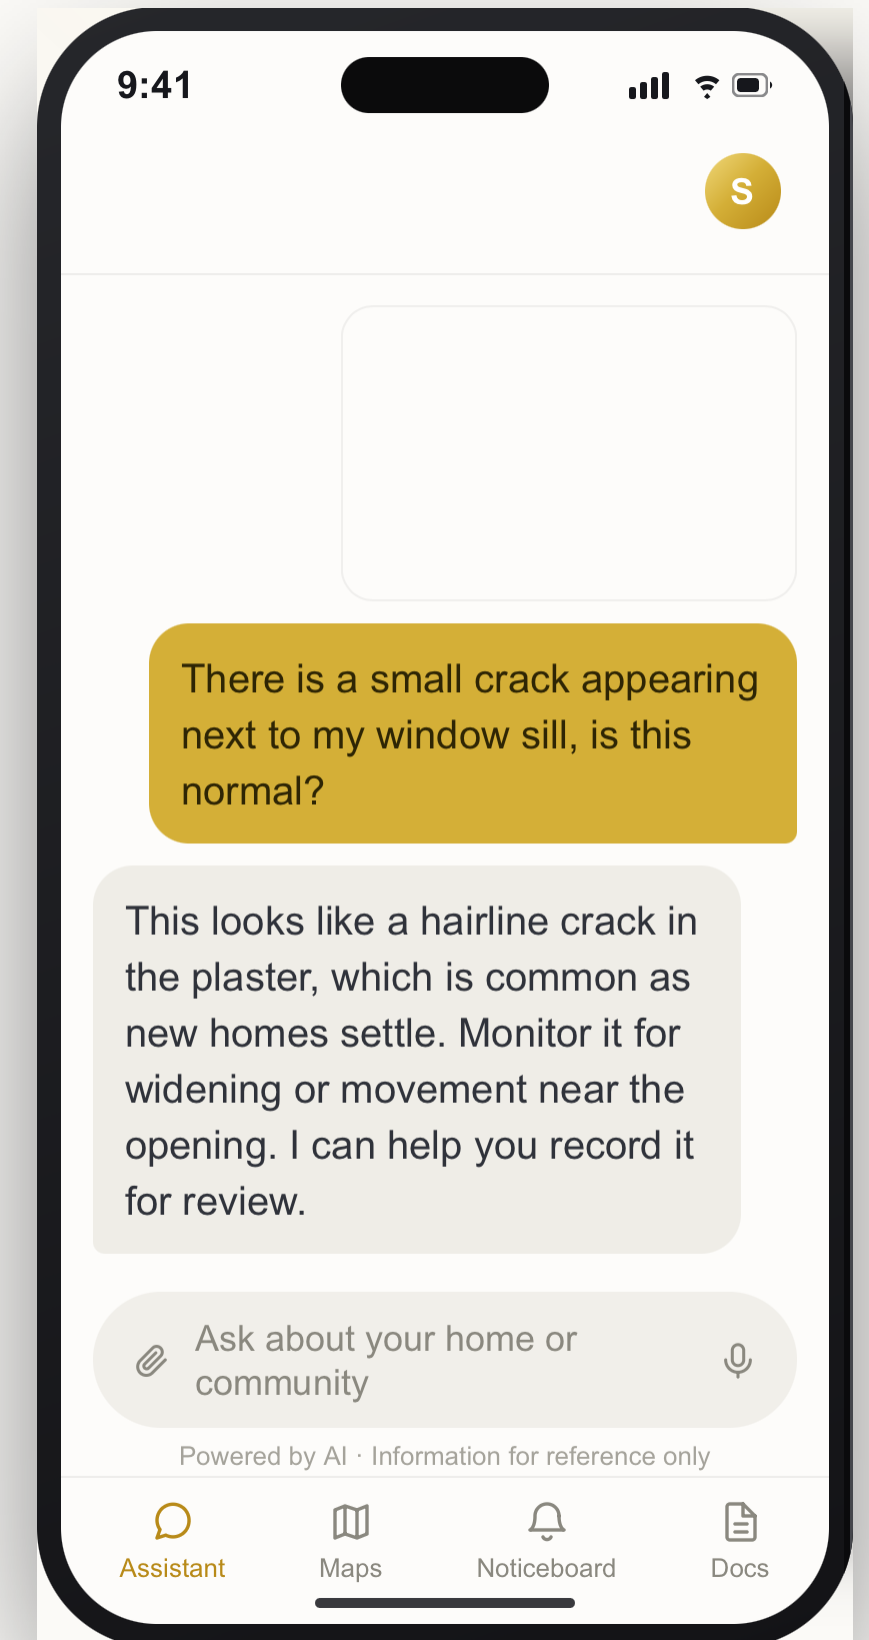

SYSTEM GUIDANCE

“What does E3 mean on my heat pump?”

ENERGY INTELLIGENCE

“Why is my electricity bill so high this month?”

EXPANDING

● DEMONSTRATED INTERACTION

Useful at handover. Valuable for the life of the home.

- **HANDOVER**
Understand the home
- **OWNERSHIP**
Maintain, troubleshoot, remember
- **UPGRADES**
Know what to change first
- **ENERGY**
Explain Money, Comfort and Risk

OpenHouse knows your home and helps you run it right.

From A-Rated Homes to A-Rated Homeowners.

NDRC can help turn founder-built proof into a focused, repeatable and investable company.
